Need to Switch or Cancel a Camp?

Club SciKidz MD | Summer 2027

Plans change, and we get it! This summer you can switch to a different camp week or cancel a registration on your own, right from your online account. Here's how.

Want a different week or camp?
Switch (transfer) your registration — see **Part 1**.

Can't attend this summer?
Cancel your registration — see **Part 2**.

Before you start

- Log in to your account here: CLICK TO ACCESS YOUR ACCOUNT Use the same email and password you used to register.
- Your camps are listed under **Current & Upcoming**. That's where you'll find the buttons for both options.
- Refund windows and amounts follow our Cancellation Policy, which is attached to your registration receipt email and can be found on our website.

Part 1: Switch to a Different Camp

You can move your camper from one camp to another within the same summer. If the new camp costs more, you'll pay the difference. If it costs less, you'll get the difference back.

1. **Log in** to your account.
2. Under **Current & Upcoming**, find the camp you want to move out of. Click **Edit**, then **Transfer**.
3. Find the new camp you'd like. Scroll through the list or type the camp name in the **Search by session name** box, then click the camp name.
   Tip: Searching by camp name is the quickest way to find it.
4. Click the **Transfer-in** button next to the tuition option.
5. Add any extras you'd like, such as extended care, and click **Continue**.
6. Check that your camper's information is correct and up to date.
7. Sign the **Waivers and agreements**, then click **Continue**.
8. Review the price difference:
   If the new camp costs more, enter your payment and billing information. If it costs less, choose how you'd like the difference back: to your original payment method or as an account credit.
9. Click **Confirm**. You're all set!

Good to know about switching

- Online switching works when your registration was paid online with one payment method (credit card, account credit, or electronic check). If you paid another way or split the payment, please contact us and we'll take care of it.
- Special Savings carry over to the new camp if they're still valid. Expired coupons and promotions can't be reapplied, so you'd pay the difference.
- If you have a balance due on another camp in the same order, any money back from the switch goes toward that balance first.

Part 2: Cancel a Registration

If your camper can't attend, you can cancel online in just a few steps.

1. **Log in** to your account.
2. Under **Current & Upcoming**, find the camp and click **Cancel**.
   Don't see a clickable Cancel button? Just contact us and we'll help.
3. Choose how you'd like your money back:
   A refund to your original payment method (minus any cancellation fees), or a full account credit with no fee.
4. Review the cancellation and refund details.
   If you still owe a balance on that camp, it will be subtracted from your refund total.
5. Click **Confirm**. That's it!

> **Thinking about cancelling? Consider a credit!**
> Choosing an account credit keeps 100% of what you paid, with no fee, so you can use it toward any Club SciKidz MD camp. (Check the Cancellation Policy for deadlines.) Or, if a different week would work better, try switching instead (see Part 1).
