Welcome to Club SciKidz!

Summer Camp Information

Club SciKidz
Where Science & Technology Connect!

Dear Parents,

Thank you for choosing Club SciKidz this summer! We are excited to bring your children a summer full of science & technology fun & learning this summer! The following information will help you and your child prepare for a great summer! We look forward to seeing you soon!

Matt & Andrea **Club SciKidz MD Owners**

sciencecamps@clubscikidzmd.com

www.ClubSciKidzMD.com

Camp Hours

Monday-Friday 9:00 AM-3:30 PM

Regular Drop-off: 8:30-9:00 AM
Regular Pick-up: 3:30-4:00 PM

Before Care begins at 8:00 AM
After Care ends at 5:30 PM (5pm @ Timonium)

What to Bring

- Two nut-free snacks and lunch
- Water bottle
- Hat and sunscreen suggested

Please label all camper items with their name. Please leave all electronics and cell phones at home. Club SciKidz MD is NOT responsible for personal belongings brought to camp.

Campers will receive a T-shirt for each week they attend.

We encourage all campers to wear their camp t-shirt each day!

Drop-Off & Pick-Up

All drop-offs and pick-ups will be done using a "rolling car loop," including before and after care. Location-specific directions will be shared in the weekly Welcome Email.

Regular morning drop-off is between 8:30-9:00 AM. Before Care starts at 8:00 AM.

Regular afternoon pick-up is between 3:30-4:00 PM. After Care runs until 5:30 PM.

All campers must be picked up by 5:30 PM to avoid being charged a late fee. (5pm @ Timonium)

General Info

- A link to the Activity Guide will be included in the Welcome Email before each camp week. The guide will let you know what campers are doing and learning each day. The curriculum is set up to follow the schedule, but sometimes activities need to be moved around due to weather and other factors.

- We have two outdoor components each day. There is one in the morning and one in the afternoon, and each is 30 minutes long.

Camper Safety

We will be using the PikMyKid app for dismissal and arrival each day. By Monday morning of each week your child is enrolled in camp, your child's name will appear in your PikMyKid app. You will use the app to announce your arrival at pick-up as well as to assign someone else to pick up your child. Each family will still have a security code, but it is automatically integrated into the app. Your child cannot be picked up without someone using the app, and only you control who has access to the app.

Health & Wellness

- In order for Camp Directors to administer medication to your camper, the "Medication Authorization Form" MUST be completed and signed by a doctor and you.
- Please do NOT send your child to camp if they are not feeling well. If possible, please notify either the camp director or email sciencecamps@clubscikidzmd.com if your child will be absent.
- If your child becomes sick or we need to get a hold of you for any reason, we will first call the parent phone numbers listed on the registration form. If we cannot reach you, we will use the emergency contact numbers you provided. Please make sure to provide at least three different names and numbers for us to use in case of emergency throughout the camp day.
- The Medication Authorization Form and our complete Health & Wellness Policies can be found and downloaded from our webpage.
- Club SciKidz MD strives to be peanut & nut-free. Please do not send peanut or nut products.

Camper Rules & Policies

- Follow directions and be respectful to camp staff.
- Be kind and respectful to fellow campers. Fighting, teasing, or any intimidation will not be tolerated and is cause for dismissal from camp.
- Campers must respect others' personal space and keep their hands, feet, and bodies to themselves.
- Inappropriate language will not be tolerated and good sportsmanship is always expected.
- Be respectful of the camp facility and use all materials and equipment safely and properly.
- Campers are expected to actively participate in camp activities and give their best effort.
- Cell phones, smartwatches, and other personal devices with calling or messaging capabilities may not be used throughout the day, including at lunch and outdoor activities. If they are brought to camp, they should be off & away. If a camper needs to contact a parent/guardian, they should speak with their Camp Director. We ask that parents/guardians also route all communication with their camper through the Camp Director and encourage their camper to do so as well.
